

**Civil Engineering Department Manager**  
(\$11,014.00 - \$14,060.00 PER MO)

Under general direction, plan, direct, supervise, and coordinate engineering, surveying, and improvement district services and activities in broad areas of responsibility. Prepare and monitor departmental budgets. Supervise department engineering staff.

Bachelor's degree from an accredited college or university with a focus on civil engineering is required. Qualified candidates will possess ten (10) years of related civil engineering experience including five (5) years at the level of Senior Civil Engineer or equivalent. In addition to the experience, possession of a valid certificate of registration as a professional engineer issued by the State Board of Registration for Professional Engineers is required.

At time of hire, physical exam, drug & alcohol screen, background check & a valid appropriate CA driver's license is a prerequisite for employment. Resumes are encouraged, but will not be accepted in lieu of a TID online application. Completed applications are currently being accepted until **position is filled**. For the complete job description and to apply online, please visit our website [www.tid.org](http://www.tid.org) or call (209) 883-8253. EOE
