

It's becoming more and more clear that the modalities for getting the jobs up on the website and out are just simply not working. These are still not all the jobs from the 8 May list not to mention anything from this or next weeks' lists. So, I must re-think how to go about doing this (if I can find time even for that). In the meantime, we'll do our best to get the jobs out there.

Josh's Pick:

1) [Senior Program Officer \(Corporate Water Stewardship\) – World Wildlife Fund \(WWF\)](#) (Washington, DC): Until filled (Great team and great gig!)

Minimum experience level requested:

0-4 years
