

I-ama-guerilla in Manila - Week Nine, 17 March 2012!

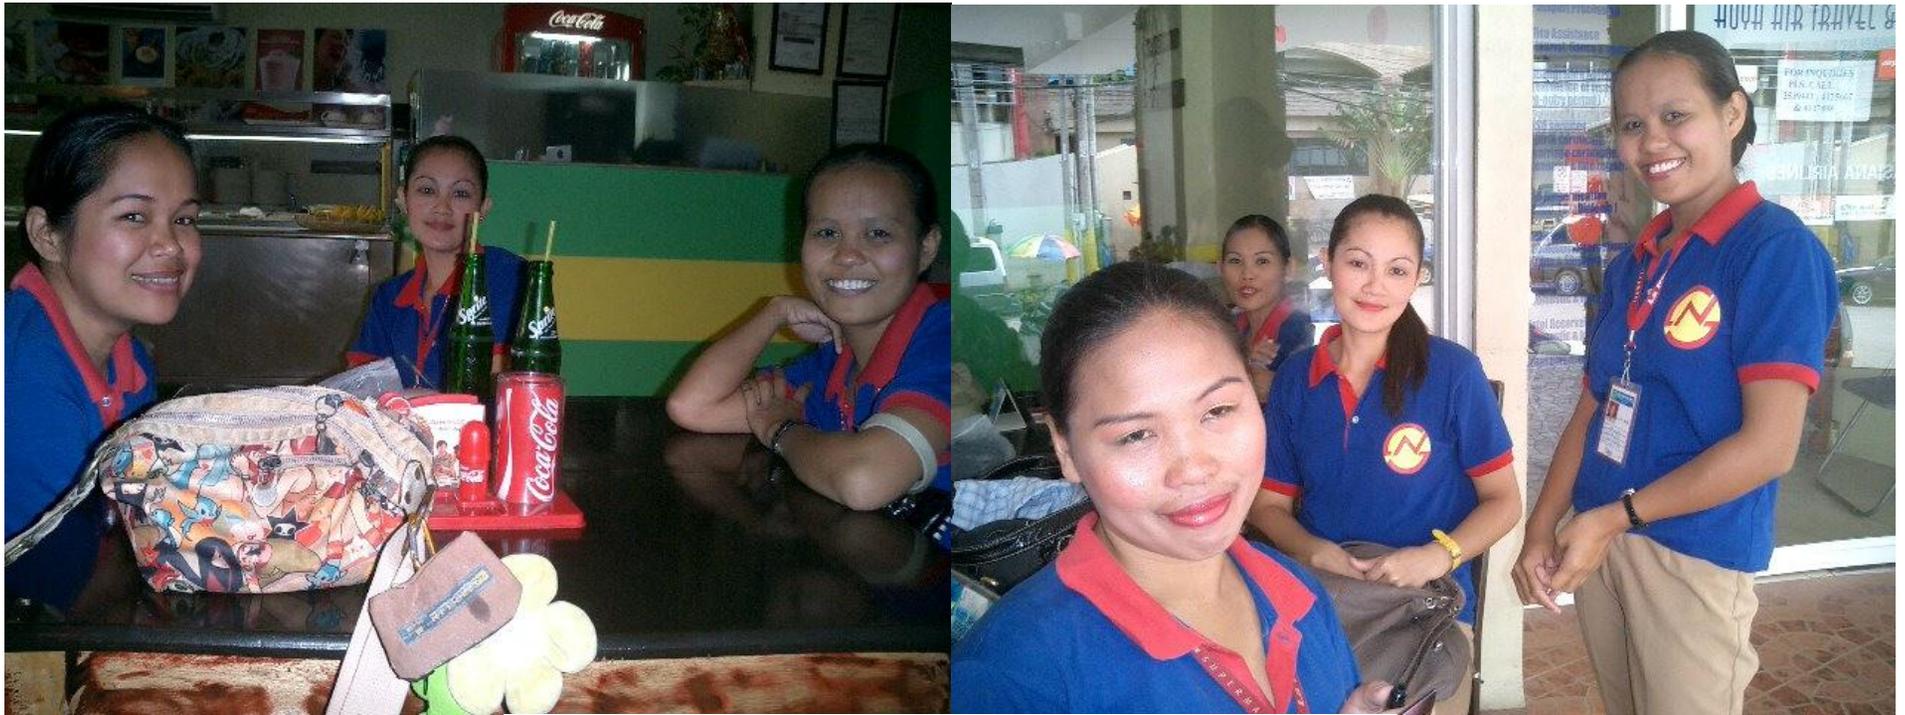

I had a great week preparing summary of Philippines reverse-osmosis desalination plants in Metro Cebu, interviewing Cebu agency staff on their perception of sanitation issues and economic benefits of sanitation interventions, surveying desalination plants in Metro Cebu, and drafting a workplan for a groundwater study and numerical model development in Davao. Then, I flew to Manila on Cebu Pacific, Land of the Mall. Seems gasoline has gone up from 50-55 PhP to 60-65 PhP or from about \$4.68 to \$5.57/gallon!

Possibly the best cartoon of this century

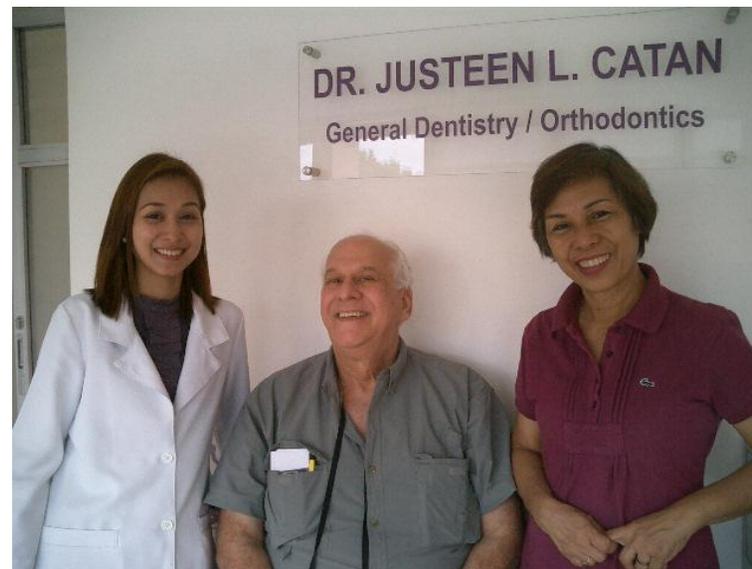

I personally would suggest government. They never go to jail.

Je ne sais quais? What can one say of such truth?

Do you think it is easy to get my work done at the MMJ Café in Cebu City?

I chipped a front tooth, must stop opening beer bottles by mouth. Ms. Yen, runs MMJ Café, has a daughter... who is dentist and took great care of me.

East Indian Student on U.S. History (from S in Spain):

It was the first day of a school in USA and a new Indian student named Chandrasekhar Subramanian entered the fourth grade. The teacher said,
"Let's begin by reviewing some American History. Who said 'Give me Liberty, or give me Death'?"
She saw a sea of blank faces, except for Chandrasekhar, who had his hand up: 'Patrick Henry, 1775' he said.
'Very good!'
Who said 'Government of the People, by the People, for the People, shall not perish from the Earth?'
Again, no response except from Chandrasekhar. 'Abraham Lincoln, 1863' said Chandrasekhar.
The teacher snapped at the class, 'Class, you should be ashamed. Chandrasekhar, who is new to our country, knows more about its history than you do.'
She heard a loud whisper: 'F*ck the Indians,'
'Who said that?' she demanded. Chandrasekhar put his hand up.
'General Custer, 1862.'
At that point, a student in the back said, 'I'm gonna puke.'
The teacher glares around and asks 'All right! Now, who said that?'
Again, Chandrasekhar says, 'George Bush to the Japanese Prime Minister, 1991.'
Now furious, another student yells, 'Oh yeah? Suck this!'
Chandrasekhar jumps out of his chair waving his hand and shouts to the teacher, 'Bill Clinton, to Monica Lewinsky, 1997!'
Now with almost mob hysteria someone said 'You little shit. If you say anything else, I'll kill you.'
Chandrasekhar frantically yells at the top of his voice, ' Michael Jackson to the child witnesses testifying against him- 2004.'
The teacher fainted.
And as the class gathered around the teacher on the floor, someone said, 'Oh shit, we're screwed!'
And Chandrasekhar said quietly, "I think it was the American people, November 4, 2008."

SHOCKING ABC News on Obama/USA Infrastructure (from J in Pakistan)

Diane Sawyer reporting on U.S. bridge projects going to the Chinese.... NOT Americans. The bridges are right here in the U.S. and yet Obama has approved for Chinese contractors to come in and do the work. What about jobs for Americans??? Watch this video. It doesn't take long to view. This one should be tough for the supporters of the current regime to swallow....AND it comes from ABC NEWS

U.S.A. Bridges and Roads Being Built by Chinese Firms. Shocking to say the least! This video is a jaw-dropper that will make you sick. (It was also shocking that ABC was actually reporting this story.) The lead-in with Obama promising jobs in the U.S. by improving our infrastructure is so typical of all his promises! Our tax dollars are at work - for CHINA!!! **I pray all the unemployed see this and cast their votes accordingly in 2012!**
