

I-ama-guerilla in Manila - Week 11, 31 March 2012!

Isaiah 49:13: *Shout for joy, O heavens; rejoice, O earth; burst into song, O mountains! For the Lord comforts his people and will have compassion on his afflicted ones.* Did Isaiah prophesize an Israeli government's compassion for underweight and malnourished fashion models? Israel now banned them from public display, according to newspapers. With internal extremists and ultraorthodox, rapidly growing non-Jewish minority, declining Jewish immigration, growing inflation, high oil and housing prices, hostel neighbors, Iranian threats and nuclear power, Syrian revolution, Egyptian winter, Barak Hussein Obama and Hillary Clinton, US re-arming of Egyptian military, etc. there might be bigger issues on the Jewish State's agenda, whot.

12 APOSTLES by Bonn Erasmo, Manila Bulletin's FUNPAGE, March 24, 2012, Saturday; 12 TRIBES OF ISRAEL; FLORIDA'S 10 LARGEST
 Do you know the names of the 12 Apostles of Jesus? Their names are inside the box above for you to circle.

Is big government siphoning off the American Spirit? This was a debate on Bloomberg TV, which ended in an audience vote based on a panel of experts. The vote was 49% YES, 43% NO and 8% UNDECIDED. I would vote YES. One of the panel members said, "You can't redistribute wealth by taxes. You can't have more people in the wagon than pulling the wagon. If I were to grade my classes as the government is run, I would give my A students 'A' and my F students 'A.'" The guy was Arthur Laffer. I like his economic ideas, as I like those of Benjamin Franklin, Adam Smith, David Ricardo, Barry Goldwater, Ronald Reagan, Milton Friedman, Ronald Reagan and Newt Gingrich. Dad said "use other people's money," and Uncle Leo said "Think Yiddish, dress British." Dad also said, "Jesus saves, Moses invests."

Recipe for Pan-fried Salmon with Mustard Sauce. *(Makes two salmon fillets, for two) Adapted from Cooking Light*

Ingredients

- 2 tsp wholegrain mustard
- 1 tsp honey
- 1/4 tsp dried dill (or 1/2 tsp chopped fresh dill)
- salt & pepper
- 2 pieces of salmon fillet
- butter or olive oil

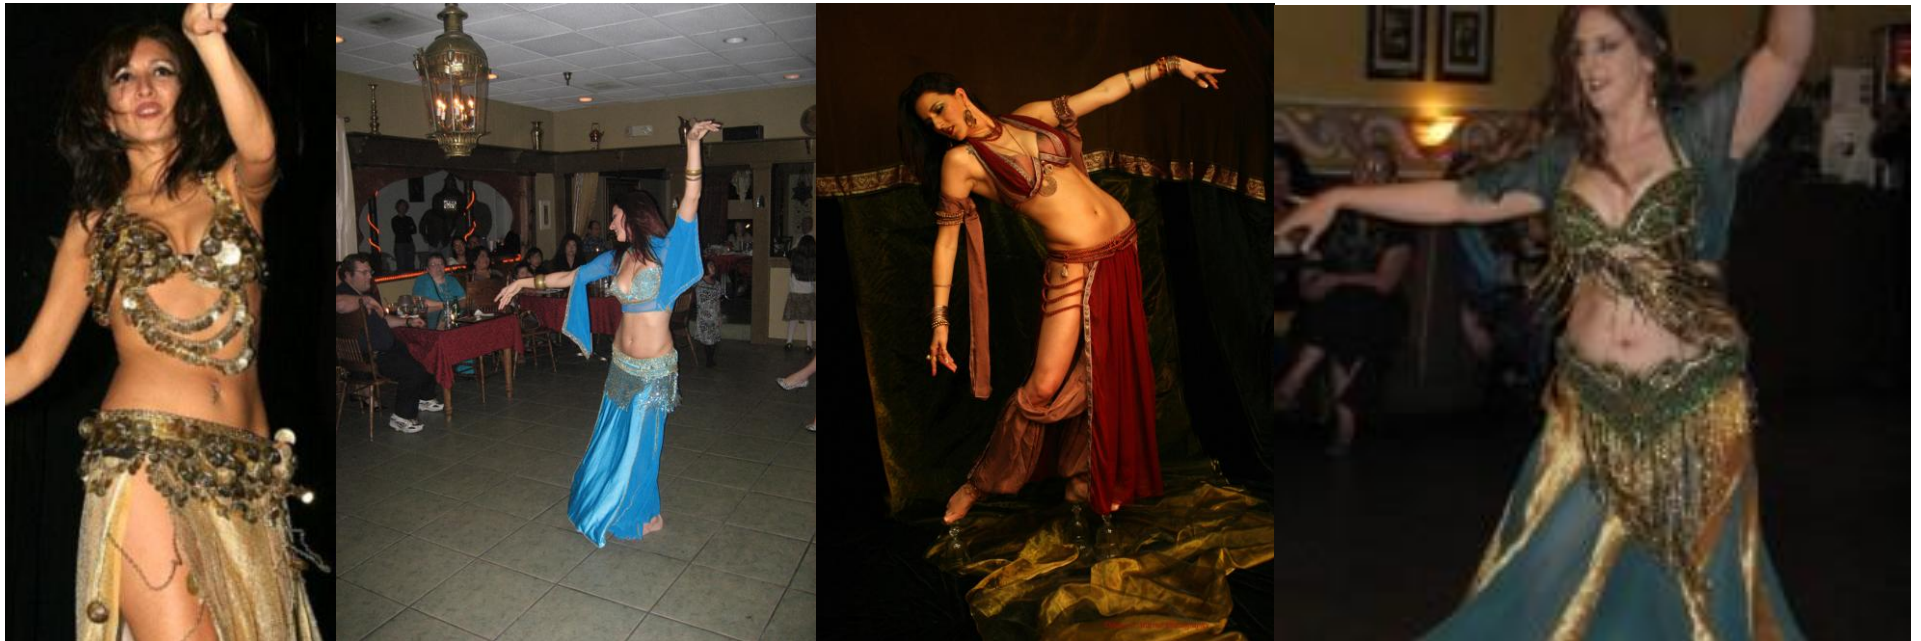

Directions

1. Pull out the bones from the salmon fillet using your fingers or a tweezer.
2. Season the skin side of the fish with salt (rub) & black pepper.
3. Combine mustard, honey and dill in a bowl. Spread the marinade over the top of the salmon.
4. Melt a knob of butter and spread it evenly on the pan (or use olive oil). Pan-fry the salmon fillet, skin side down first, for about 4 minutes each side over medium fire.
5. Serve the salmon skin side down. Scoop the marinade sauce left on the pan and spread over the top of the salmon fillet.

William Shakespeare captured my sensibility for very long flights in Sonnet 2:

When forty winters shall beseige thy brow,
And dig deep trenches in thy beauty's field,
Thy youth's proud livery, so gazed on now,
Will be a tatter'd weed, of small worth held:
Then being ask'd where all thy beauty lies,
Where all the treasure of thy lusty days,
To say, within thine own deep-sunken eyes,
Were an all-eating shame and thriftless praise.
How much more praise deserved thy beauty's use,
If thou couldst answer 'This fair child of mine
Shall sum my count and make my old excuse,'
Proving his beauty by succession thine!
This were to be new made when thou art old,
And see thy blood warm when thou feel'st it cold.

First night home. Now, early Tuesday morning, first night home. Had my normal first-night-home sleep adjustment: slept from 3 to 7 p.m. on Monday; 11 p.m. (on Monday) through 3 p.m. (on Tuesday). Responded to CV requests for projects in Lebanon, Mongolia and Pakistan. Filed personal bills from Philippines' trip – 150 PhP for Asia Mall/ Pasig-Manila haircut, 850 PhP for Mandaue-Cebu tooth filling; and 500 PhP for Compostela- Consolacion-Cebu teeth cleaning.

Arizona Oriental dancers!

Who knew? I was in this senior-citizen-with-hypertension-University-of-Arizona-College-of-Nursing-study. My UoA nurse comes to my home. She sees the Egyptian hookah in my office. She invites me to see her at an open-floor belly dance at the Hookah Lounge, Luxor Café on Campbell Avenue just north of Prince Road in Tucson very near my desert villa. And voila! A charming Thursday evening therein! Plus, wifey, neighbor and I ran into a Tai Chi Master of mine there, whom I haven't seen in 35 years, whot! Check out *Kamrah* at <http://tattooedbellydancer.com> or on Facebook, if you dare! Ain't America grand! (Is it *Stunk and White* to have five sentences in a row end with "!"?)
