## Bob Dylan Forever Young Lyrics

May god bless and keep you always, May your wishes all come true  
May you always do for others, And let others do for you

May you build a ladder to the stars, And climb on every run, May you stay, forever young

May you stay forever young

May you grow up to be righteous, May you grow up to be true  
May you always know the truth, And see the lights surrounding you  
May you always be courageous, Stand upright and be strong  
And may you stay forever young

Forever young, forever young, May you stay forever young

May your hands always be busy, May your feet always be swift  
May you have a strong foundation, When the winds of changes shift

May your heart always be joyful, May your song always be sung  
And may you stay forever young

Forever young, forever young, May you stay forever young
