Announcement and Call for Papers

The **Journal of Water, Sanitation and Hygiene for Development** is a peer-reviewed journal devoted to the dissemination of high-quality information on the science, policy and practice of drinking-water supply, sanitation and hygiene at local, national and international levels.

The journal publishes original contributions including research, analysis, review and commentary. It emphasizes issues of concern in developing and middle-income countries and in disadvantaged communities world-wide.

Interested in submitting a paper?
