**CLASSIFICATION:** Professional/Management, Regular, Full-Time

**LOCATION:** The Klamath Tribes  
Natural Resource Department  
501 Chiloquin Blvd  
Chiloquin, OR 97624

### INTRODUCTION

The Wildlife Biologist is a scientific professional of the Natural Resources Department who performs a variety of managerial, professional and scientific ecological work in connection with the determination, establishment and application of the biological facts, principles and procedures necessary for the conservation and management of wildlife species.

The Wildlife Biologist responsibilities include the management, planning, protection, preservation, and enhancement of wildlife resources with a special emphasis on Treaty reserved resources.

### MAJOR DUTIES AND RESPONSIBILITIES

1. Develops short- and long-term goals and objectives for the Wildlife Program.
2. Develops and implements work plans to meet goals and objectives.
3. Develops and implements biological and ecological principles, facts and direction for the wildlife program.
4. Participates on National Environmental Policy Act (NEPA) interdisciplinary planning teams with Forest Service staff on projects that affect treaty resources by attending office and field meetings and providing professional wildlife input.
5. Assembles and evaluates information on land and wildlife resources. Integrate this information with appropriate scientific literature, interact with other resource professionals, and recommend resource management strategies to the supervisor that best achieve Tribal wildlife management goals.
6. Works collaboratively with State, Federal, Tribal and private sector natural resource professionals to design and implement research, monitoring and restoration projects and programs to best achieve Tribal wildlife.

501 Chiloquin Blvd. – P.O. Box 436 – Chiloquin, Oregon 97624  
(541) 783-2219 – Fax (541) 783-2029

management goals. This includes attending field and office meeting at different agency offices and field sites.

7. Performs independent research, which may involve the quantitative determination of interrelationships between wildlife species; the effects of environmental and man-made environmental changes on survival and growth of key wildlife species, this includes but is not limited to big game such as mule deer and elk. Research should be published in peer reviewed journals.
8. Develops methods to evaluate wildlife habitat potential and requirements.
9. Manages Wildlife Program grants and agreements according to Tribal policies and procedures including the rules governing a specific grant. Writes grant proposals as needed.
10. Vigorously pursues opportunities to fund projects and to build the Wildlife Program.
11. Manages Wildlife Program budgets in accordance with the Tribal budget policy. Reviews and monitors expenditures to remain within established budgetary constraints.
12. Manages Wildlife Program contracts in accordance with the Tribal procurement policy.
13. Oversees all aspects of the Tribal on-line game tag sales system to ensure its proper function and maintenance to minimize downtime. Provides routine system generated reports, and special reports as directed.
14. Provides routine monthly, quarterly, annual and other reports as directed.
15. Exercises the full range of supervisory duties for department staff and activities. Perform overall work planning, establish work schedules and priorities, assign and review work. Personally discuss work progress and problem areas as they arise with subordinates. Recommend employee status and other personnel changes. Approve leave. Evaluate performance. Identify training needs and ensure that training opportunities are provided.
16. Prepares technical, progress and final reports relating to wildlife management, as required or assigned.
17. Manages Wildlife Program records in accordance with the Tribal records management policy.
18. Manages Wildlife Program property in accordance with the Tribal property management policy.
19. Work requires driving to and from meetings. Field work requires driving on rough forest roads over rugged terrain and in inclement weather.
20. Other duties as assigned.

### **SUPERVISORY CONTROLS**

The Director outlines the overall program objectives and priorities, time limits, and the financial and personnel resources available. The employee plans and schedules recurrent work, handles problems, and completes work using one's own initiative, exercising judgment according to previous training, experience, and instructions.

Work is reviewed from an overall standpoint in terms of meeting objectives, effectiveness, and compliance with laws, regulations, policies and procedures.

## **KNOWLEDGE, SKILLS, AND ABILITIES**

Must be willing to gain knowledge and understanding of Tribal organization, functions, policies, goals, priorities, and operating programs.

Knowledge of federal laws regulating the management and use of wildlife resources, such as the Endangered Species Act and the National Environmental Policy Act.

Knowledge of theories and principles of biological populations, biological regulation and game harvest management.

Ability to perform work and accomplish tasks in accordance with established policies, procedures, practices and priorities of Natural Resources Department. This includes the ability to plan and organize work using one's own initiative and to seek information and assistance from other sources as necessary.

Knowledge of, or ability to learn, Klamath Tribal laws and regulations.

Knowledge of, or ability to learn, Tribal subsistence and Treaty resources.

Working knowledge of east-side ponderosa pine ecosystems.

Knowledge of big game management principles and application, with emphasis on mule deer and elk.

Ability to establish and maintain effective and cooperative working relationships with employees, other departments, state, county, federal, and local agencies, Tribal members, elected Tribal officials, and the general public.

Good public relations and inter-personal skills. Must be able to meet with a variety of individuals of differing backgrounds in a professional manner, using tact, diplomacy and mature judgment while providing Tribal perspectives.

Ability to communicate orally and in writing. Ability to express her/himself in a clear and concise manner for the purposes of correspondence, reports, and instructions, as well as for obtaining information or conveying messages.

Above average knowledge of grammar, spelling, punctuation, and vocabulary skills.

Good organizational and planning skills, ability to meet deadlines.

Ability, knowledge and skill to prepare and administer Tribal budgets, to provide financial guidance and assistance, and administer contracts and grants in accordance with established policies, rules, and regulations.

Ability to achieve programmatic and organizational objectives, making sound decisions, exercising judgment based on previous experience, training, and instructions.

Ability to effectively organize, assign, and supervise the work of subordinate employees.

Ability to work in inclement weather and rugged terrain.

Skill and ability to operate a vehicle in adverse weather (e.g. snowy conditions) and on rugged forest roads.

## QUALIFICATIONS, EXPERIENCE, AND EDUCATION

## ACKNOWLEDGEMENT

This job description is intended to provide an overview of the requirements of the position. It is not necessarily all-inclusive, and the job may require other essential and/or non-essential functions, tasks, duties, or responsibilities not listed herein. Management reserves the sole right to add, modify, or exclude any essential or non-essential requirement at any time with or without notice. Nothing in this job description, or by the completion of any requirement of the job by the employee, is intended to create a contract of employment of any type.

Rev: 06/2015

**APPLICATION PROCEDURES**

Submit a Tribal *Application for Employment* with all requirements and supporting documentation to:

**The Klamath Tribes  
ATTN: Human Resource  
P.O. Box 436  
Chiloquin, OR 97624**

IT IS THE RESPONSIBILITY OF THE APPLICANT TO PROVIDE SUFFICIENT INFORMATION TO PROVE QUALIFICATIONS FOR TRIBAL POSITIONS.

PLEASE NOTE: If requirements are not met, i.e., submission of a resume in lieu of a tribal application, or not including a required certification, your application will not be reviewed and will be disqualified.

Indian Preference will apply. In accordance with Klamath Tribal policy, priority in selection will be given to qualified applicants who present proof of eligibility for "Indian Preference".

Applications will not be returned.
